Persimmon Leaf Extract Shines Bright for Heart Health

Guest: Abdul Alkayali, Vice President, Co-Founder, NATCO, Inc.

When you take care of your heart, it will take care of you. The World Health Organization reports that heart disease is now the number one cause of death in the world today. Research shows prevention through lifestyle changes is vital for reversing the odds in a positive direction. For centuries in China, Japan, and Korea, a clinically proven extract from persimmon leaf called Persimonal™ has been used effectively in naturally lowering blood pressure and cholesterol while offering anti-hypertension and anti-inflammatory benefits. Start the new year on a new leaf!

Try a FREE bottle of PERSIMONAL™ - For only the cost of shipping. \$6.95!!!
